Dear Beloved Family Members,

We are deeply moved by the outpouring of love and support we received before, during and after the burial ceremony of our dear brother, **Ajibade Samuel Adewale**. Your unwavering presence, prayers, and acts of kindness have touched our hearts profoundly.

Your contributions, prayers, and presence during this difficult time meant more to us than words can express. The comfort, and care you extended to our family were truly a blessing. We are thankful for the many roles the Family played during this period of grief.

May God continue to use you all mightily, and may His grace be upon each one of you. We glorify Him forever for the love and support you showed us.

With heartfelt appreciation,

**Ajibade Family.**
